

Facilitation graphique

Livret individuel

Prénom :

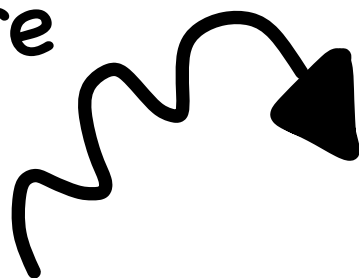

Dessine ton portrait ou un symbole représentatif :

Réalisé par Hélène Bourgeois

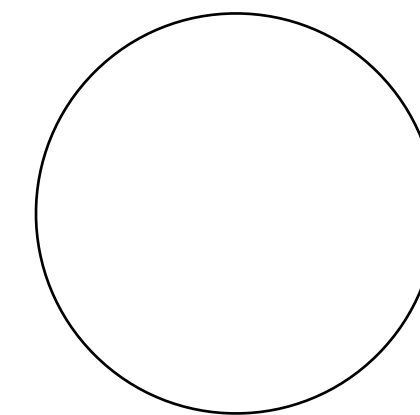

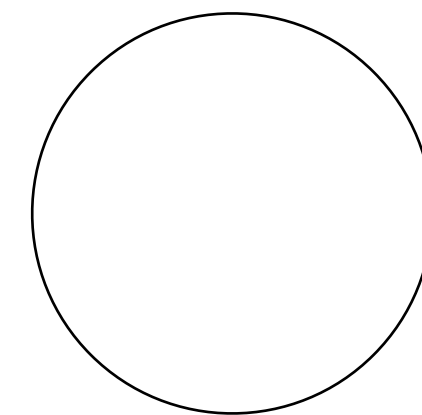

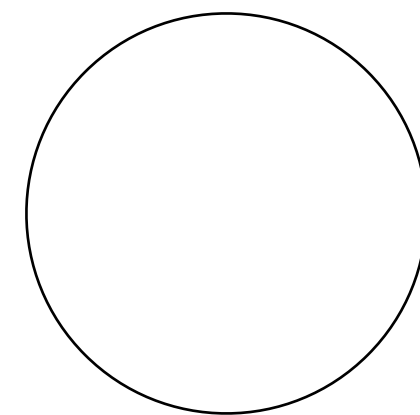

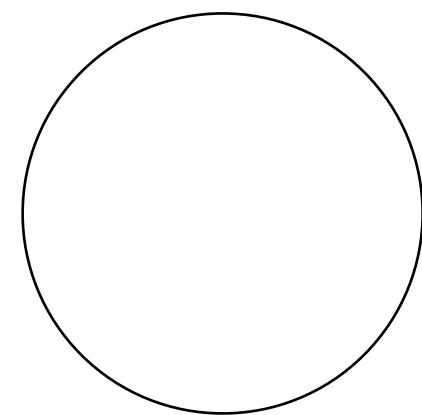

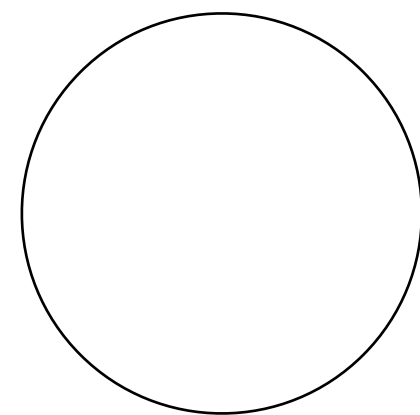

Il s'agit d'utiliser la
pensée visuelle et le dessin
pour animer, coacher,
organiser, et faciliter la
création de sens au
niveau individuel et
collectif. (Roberta
Faulhaber)

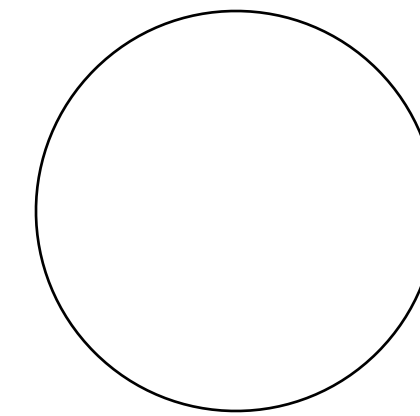

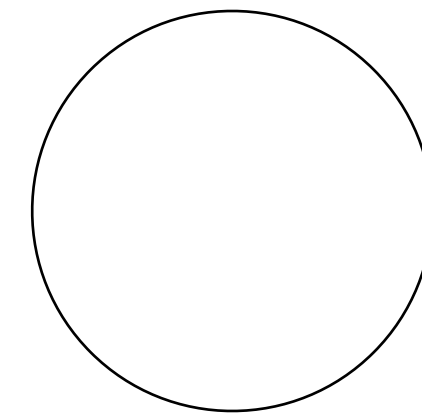

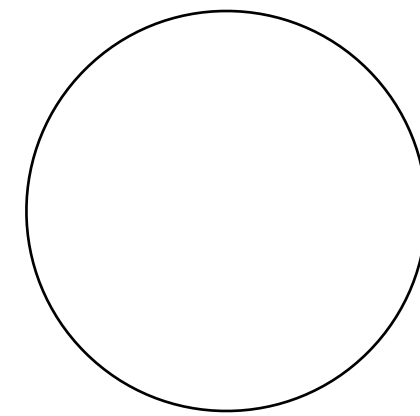

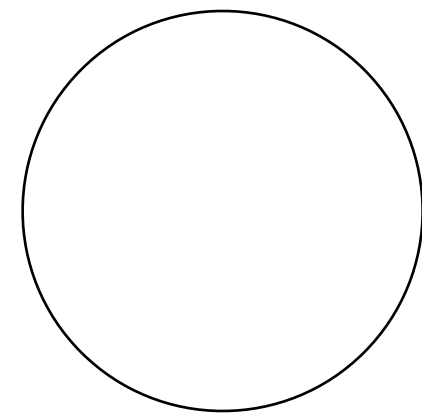

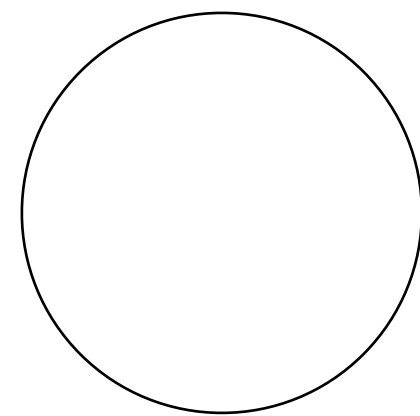

Libérez votre
créativité 

 Faire le plus de
dessins possibles en
commençant par un
cercle

 Le cercle doit être
le principal élément
du dessin et vous
devez être capable
de nommer ce que
vous avez dessiné
(pas d'art abstrait).

 Est ce que vos idées
sont fluides,
élaborées, flexibles,
originales ?
